The Festival of Trees is an annual event that is held in doors at the Lodge in Brady's Run Park. Where, the Lodge, is magically transformed into a snow-laden, Winter Wonderland with it's 50 plus beautifully and uniquely decorated artificial trees and wreaths. The Festival is an affordable family activity that children and parents will both enjoy. If you haven't been to the Festival before, you have missed something special. This being our 20th Anniversary our volunteers and sponsors are trying to make it even more memorable so please come and help us celebrate.

This year's theme is *Christmases of Years Gone By*.

While basking in the warmth of the Festival, stop to take time for an imaginary train ride on one of our Lionel or American Flyer Trains as they travel through our display. You will become a kid again as it stirs memories of yesteryear. There is the Candy Cane Lane Gift Shop, which is loaded with affordable gifts and trinkets, a Snack Bar where you can take time to relax, Children's Craft Corner, Baskets and Raffles,
